**GRAND MOMENTS. GREAT MEMORIES.**

ANNUAL REPORT 2014-15

TGB BANQUETS AND HOTELS LIMITED

*"Our whole approach to hospitality and to our stakeholders took great planning, foresight, commitment and passion to arrive at. At every step of the way, we stayed true to our unique identity and culture and the years have shown this to be a defining factor of the success enjoyed by TGB. We did all this for one purpose... and one purpose alone - To serve up the very best of TGB, every day, every time, on a platter to our valued guests and all other stakeholders. This report places a complete account of the hotel's performance for the year under review, on a platter, for the benefit of all".*

Dear Shareholder TGBians,

I am pleased to present to you the Annual Report and Audited Accounts of TGB Banquets & Hotels Ltd for the financial year 2014 -15. The group made robust progress during the year in review; a year which did hold some areas of challenge for us.

Let us examine the Hotel's performance within the context of our operating environment for the period under review.

### **The economic environment**

An uneven global recovery continued to prevail in 2014. The economy grew by only 6% in 2014. It is likely to grow by 7% in the year, and Tourism – global and local over 1.1 billion tourists travelled the world in 2014 – an increase of 4.4% over the previous year. The forecast is for this number to grow by between 3% and 4% in 2015.

Hospitality sector is showing a buoyant growth in its economic growth was 7%-9% in 2014-15 and slated to grow 9%-12% in the year 2015-16.

### **Performance**

The year threw up some challenges at us. Even though our overall performance did not reach expected levels, we recorded growth in the critical 'Banquets' vertical. Despite the Hotel operating with its full inventory, a confluence of factors exerted some pressure on our operations. There has been an increase in cash profit, but a lot more can be achieved and we are working towards it.

On a very encouraging note, we have added franchise properties in Jamnagar, the upcoming five star hotel in Indore which will be managed by us would add to our performance. The banquets and party lawns of the property are already open for business. Tapping into the online market has been on our agenda. You would be pleased to know that online bookings now account for 18% of business received – up from a level of just 5% three years ago. We expect this to rise to 50% within the next three years.

It is commendable that we have initiated and controlled our administrative, selling and other expenses by a good margin compared to the last year and steps have been taken to reduce the fixed costs to improve the performance the next year.

Your Company is built on solid foundations. Our values, focus, passion and a unique model of hospitality continue to differentiate our offering from the many others up for choice. A presence in various verticals of hospitality - luxury hotels, budget hotels, gourmet outdoor catering, banquets, restaurants, club, et al is what gives us strength and flexibility to adapt to new market and economic conditions.

### **Appreciation**

As I conclude this message, I would like to thank the Board of Directors for their guidance and support in charting the optimal course for the Hotel this year. I thank the management team and associates for the yeoman support and co-operation they unstintingly extend for the furtherance of TGB Banquets & Hotels Ltd and its aspirations. I warmly thank the OTA's and travel agent fraternities and all our honored guests – you are integral to our existence and success. To the TGB Banquets & Hotel team members who are a family – thank you for your efforts, contributions, loyalty and the belief that in working together and delighting our clients. There is an undiminished dynamism and 'buzz' in the country and the industry today – different complexions spawn different opportunities and challenges alike. There is joy, excitement and accomplishment to be pursued and won; and we are ideally placed for the chase!

## ANNEXURE TO THE DIRECTORS' REPORT

### Annexure - "A" to the Directors' Report

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### Industry's Structure and Developments

In the last few years, the structure of the industry has been changing and the development have been phenomenal especially on the mid size segment, hotels focusing more on the banqueting & conferencing and of course mushrooming of International & Domestic branded hotel even in the II tier and even III tier cities of India. This was significantly seen all over India and even more in Gujarat in the year 2014-15.

### Opportunities & Threats

The budget hotel concepts and Service Apartments are briskly taking the place of established hotels. The advent of 'Room Aggregators & On-Line Travel Agents has been a bane as well as boon for the industry. The new trends have given rise to competition resulting in Lower occupancy and of course lower rates per room. Similarly the ever changing government policies , taxation and regulations has never been friendly for the Hotel Industry.

### TGB's Business Outlook

#### Revenue

The Company recorded revenue ₹ 141 Crores during the financial year under review, compared to ₹ 158 Crores achieved during the previous period. Though the growth in Room & Food Beverage revenue showed a marginal decline, but our mainstay Banqueting & Catering showed a growth. Forthcoming year seems to be promising with the addition of managed property in Indore - The Grand Bhagwati Palace.

#### Expenses

During the period under review, total expenses have increased marginally. Cost of sales has decreased, compared to previous period and it is mainly due to change in revenue composition & the new rules applied on hospitality industry on Depreciation and Amortization of assets with retrospective effect. Administrative costs and Marketing & Promotional expenses have decreased considerably. Power & Energy costs also show a favorable variance compared to last year. This is mainly due to implementation of energy saving initiatives by the Company. Good initiatives in controlling the expenses have resulted in the decrease in Administrative costs & Selling costs. Payroll costs increased, compared to previous period, mainly due to salary revision to both Executive and Non-Executive staff. Depreciation for the year was reported a considerable increase, compared to previous period. This is mainly due to additional depreciation charge effected on Hospitality Industry with retrospective effect.

### Corporate Culture and Values

TGB proudly counts two decades in the catering & hospitality industry - a period over which an invaluable storehouse of knowledge has been built and experience gained. Our corporate culture is based on four key qualities - passion, humility, integrity and tenacity. We are an Indian entity, fully imbued with the character and culture of the country and are proud to reflect all that is best about this nation in all we do. We also believe strongly in the value of family and family values - we enshrine these at every turn in the way we live, work and interact.

### Ethics, Integrity and Compliance

TGB is uncompromising in its espousal of the highest ethics and integrity. Our every strategy and action is founded on a scrupulous adherence to all applicable laws, regulations. We have a comprehensive governance mechanism in place.

### Brand Equity

Over the years, TGB has carefully established its brand positioning to occupy 'top of mind' recall in niche market segments especially in food and catering. All the Hotels has been established as a banquet property primarily focusing on food and its services.

Positioned as we are as a unique and iconic Banqueting venue, that has fully earned its luxury rating, we are careful to maintain our brand equity at optimum levels in the market category we occupy. We keep constant tabs on how our brand is faring by paying close attention to guest comments posted on myriad review sites channels such as TripAdvisor, as well as to comments we receive directly at the Hotel.

### Organizational Knowledge

The many years of operations that the TGB Family can count in the tourism, catering and hospitality industry has helped us acquire industry knowledge of enviable depth. We have used this knowledge to fashion a true Indian landmark banqueting enterprise, imbued with its own unique blend of professionalism and local flavor.

### Risk and Concern

In the last few years the rise in operating & Manpower costs has been a major cause of concern along with the rising capital needs and of course the various compliances which takes a major component of revenue.

### Human Resource and Security

High employee turnover, the novel age cyber crimes, and constant threat of terrorism pose a major concern on the day to day operations of a hotel industry. Constant vigilance in the form of CCTV camera for surveillance, sniffers, metal detectors etc doesn't provide safe atmosphere and besides the costs involved, a constant insecurity lurks in the mind of the guests, promoters as well the team members.

An impairment loss is recognized immediately whenever the carrying amount of an asset exceeds its recoverable amount.

#### vi. Valuation of Inventories:

- a) Inventory comprises stock of food and beverages and stores and spares and is carried at lower of cost and net realizable value. #### x. Borrowing Cost:

- c) Foreign Exchange difference arising on repayment of foreign exchange term loan has been adjusted to interest cost.

**xi. Provision for Taxation and Deferred Tax:**

- a) Provision for Income tax for the current year is based on the estimated taxable income for the period in accordance with the provisions of the Income Tax Act, 1961.

- c) Provision for leave salary has been made as determined by the management.

**xiii. Principles of Consolidation:**

The consolidated financial statements have been prepared on the following basis:

- a) The financial statement of the company and its subsidiary companies have been consolidated on a line-by-line basis by adding together the books values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and unrealized profits or losses on intra-group transactions as per Accounting Standard AS-21-“Consolidated Financial Statements”.
- b) The difference between the costs of investment in subsidiary, over the net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- c) Company holds certain rights in immovable property by virtue of equity shares held in subsidiary. Since the equity shares so held do not really present financial investment simplicities but rather the means to acquire and hold the properties for use in company’s operations, the cost of acquisition of the shares is treated as cost of fixed assets and is dealt with in accordance with Accounting Standard-10. Accordingly the requirements of Accounting Standard-13 on Accounting for Investments and Accounting Standards -23 on Accounting for Investments in Associates in consolidated financial statement are considered to be not applicable. Even otherwise, the actual effect on consolidated financial statement will not be contextually significant.
